There are no strangers here,
Only friends who haven't met.

No man is the whole of himself.
His friends are the rest of him.

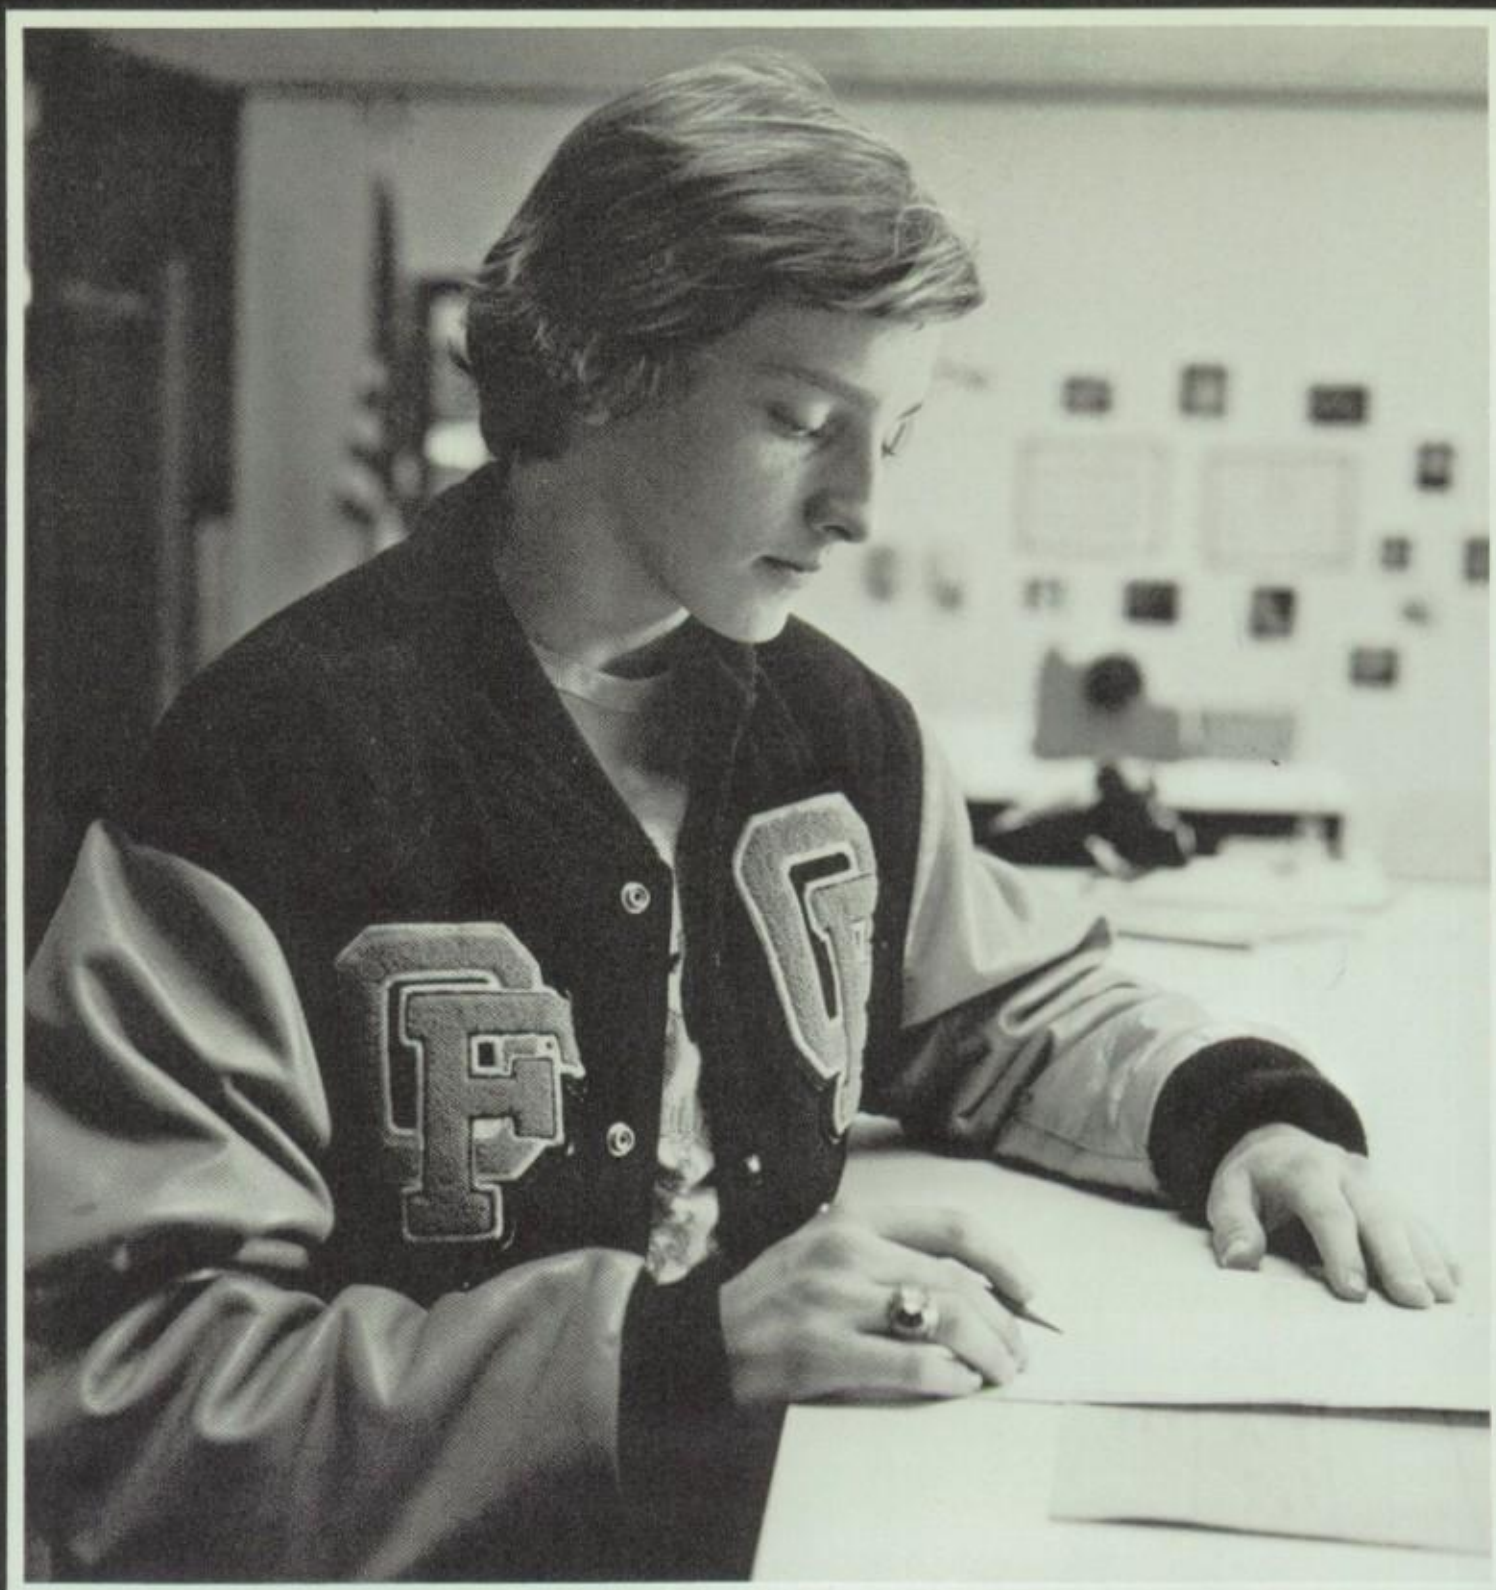

Friendship doubles our joy,

and divides our grief.

Man is forced to be alone by the very nature of society. But if you meet a person who is not envious, who loves and believes in other than himself, than to this rare person offer a lifetime of friendship.
--Susan Polis Schutz

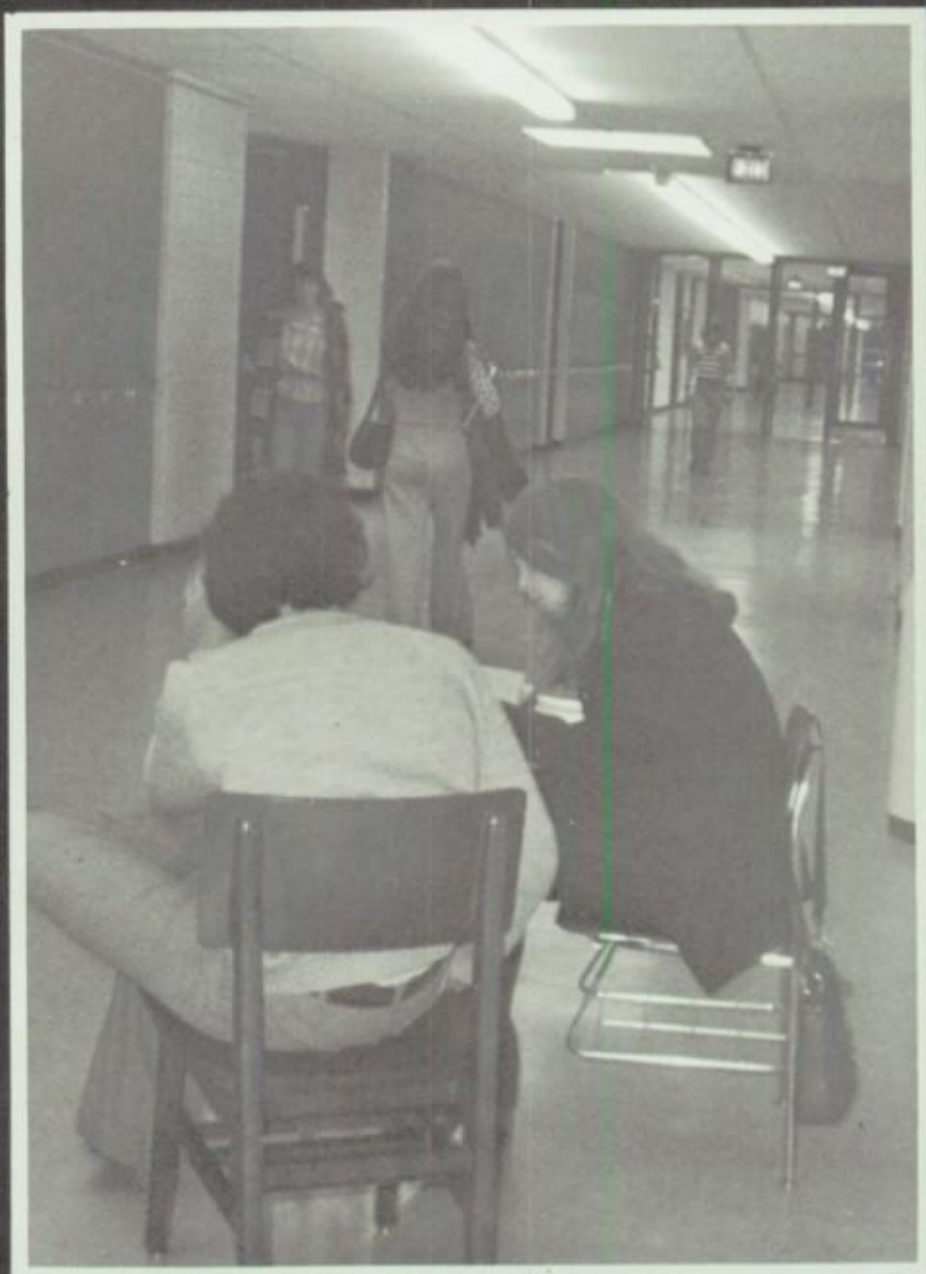

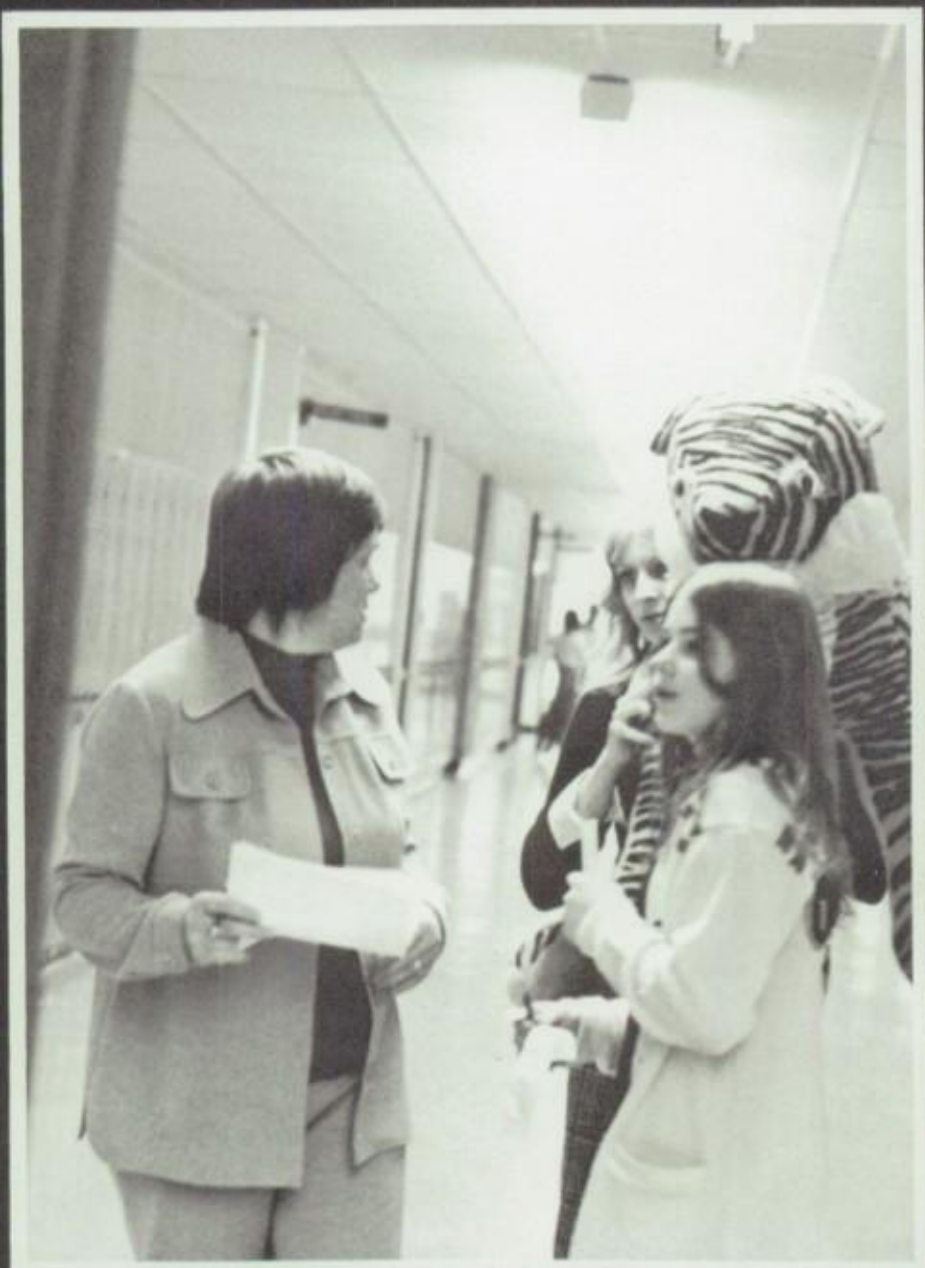

A good thing
is the
encouragement
of a friend.
--Homer

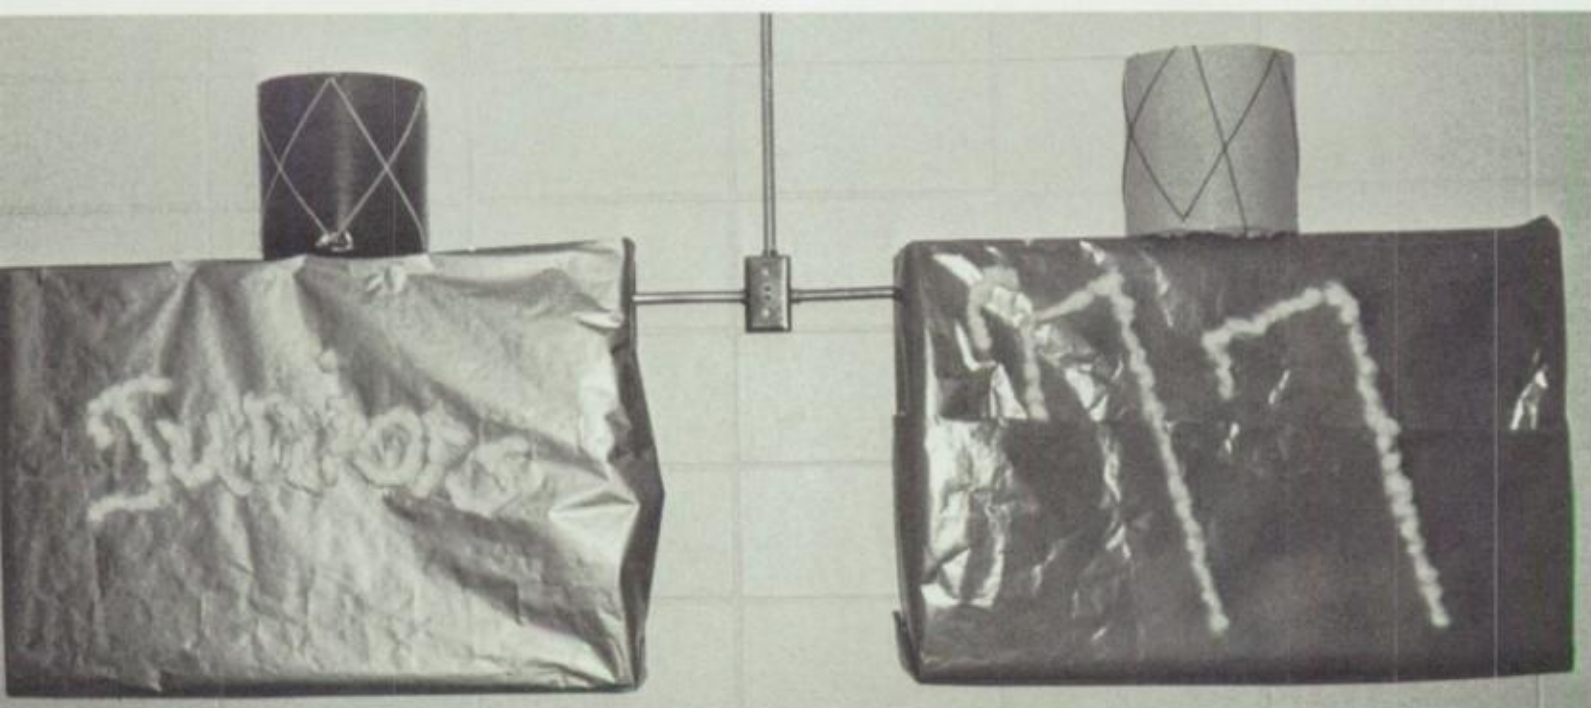

ACTIVITIES

H o m e c o m i n g

Homecoming Weekend was preceded by Spirit Week. The first day of Spirit Week was initiated with a Farmer's Day. The second day was a Fifties Day followed by a Crazy Socks day. The final day class colors was climaxed by freshman wearing green, sophomores wearing red, juniors wearing white and the seniors blue. A pep assembly was also held and it included a pie eating contest along with a tug-of-war.

Saturday afternoon kicked off the football festivities. Our Oak Forest Bengals defeated the Bradley Boilermakers in the freshman game with a score of 42-8. The sophomores defeated Bradley by a score of 6-0 and our varsity team lost with a score of 8-32. During half-time of the varsity game, a trophy was awarded to the Senior class for hall decorations and the spirit stick was awarded to the Juniors.

The Homecoming Dance Saturday night was the highlight of the week. Laurie Pellegrine was crowned queen and Joe O'Donnell was crowned king.

ORGANIZATIONS

Spanish Club . . .

is organized to better acquaint the students with the language and customs of Spanish and Spanish-American people.

The club started the year in a joint picnic with the German Club. They attended the Fiesta Folk Lorico presented by the National Dance Company of Mexico at Orchestra Hall. During Open House, they treated guests to gourmet delights, and displayed a float they made depicting the Fountain of Youth and Ponce De Leon.

A big money maker for the club was their occasional home-made taco sales.

FRONT ROW: Kim Hayes, Sue Wolzson, Diane Noland, Linda Zordan, Connie Bendewald, Karen Michaels, BACK ROW: Mrs. Smutney; sponsor, Connie Morris, Jolie Herlocker, Karen Kalenowski, Kim Grah, Debbie Palm, Marianne Martinec, Sue Sawatski.

French Club . . .

at the beginning of the year planned a visit to the Magic Pan. The Magic Pan is a French restaurant where they serve the traditional crêpe.

French Club was also involved in Mardi Gras. Mardi Gras was a big dinner, where all the foreign languages contribute some kind of food, to represent their country.

They ordered red, white and blue T-shirts which are the colors of France. The T-shirts have an emblem on them.

German Band

The German Club had a remarkable year of activities. They included trips to the Benehoff Restaurant, the Civic Orchestra, and several plays. One special play the club saw was "A Shot In The Dark", with Elke Sommer.

Several students from the club organized a German Band, and performed at various school events.

Their main fund raiser was the sale of German candy, imported from Bonn, West Germany.

All of these activities contributed to the enrichment of students studying German.

H.E.R.O. — V.I.C.A.

The H.E.R.O.-V.I.C.A. club has sponsored many fund-raising projects, such as selling stationary and donuts. They also organized a Toys for Tots drive at Christmas time, when they collected new and used toys for needy children, to make their Christmas a happy one too.

During their club meetings their officers: President-- Sherrie Schaefer, Vice President--Janet Ross, Secretary--Lynn Wilcox, Treasurer--Michelle Alarid, and Historian--Nita Coniglio presided over the meetings. Sherrie Schaefer State Secretary attended regional meetings and brought information back to the club. She ended the year as a state officer on April 24, 1976 at the Leadership Conference in Springfield where new state officers were elected.

Office Education

was very active this year. They sold Fuller Brush Products, chocolate crunch bars, candy canes at Christmas time, personalized Valentine cookies, and Life-saver suckers. They also took inventory for Zayre Department Store.

The club attended an Area Conference and competed. There are three levels of competition of office skills. They are; Area Conference, State Contest, and National Contest. This is the first year they had someone place in State Competition which qualifies her for National Competition.

The club also took a field trip to Chicago, visiting Business schools and various companies. At the end of the year the members will attend an employer-employee banquet.

Throughout various times of the year, they have sold candy to help support their club. On May 13, the members of the D.E. club attended an employer-employee banquet. During the year, the students learn the fundamentals of retailing, management, merchandizing, advertising, display, and dealing with situations and problems in the business world.

Most of the students in this club have a job to go along with this to have a better understanding.

Diversified Occupations prepares a student for various careers in the industrial field, along with different other occupations. The students have jobs after school to help them learn more about the working world. Among their many activities, they have gone on three field trips. One to the Fisher Body Plant, one to the Chicago Police Department, and the other to the Auto Show. As part of their grade, each student has to write a detailed report about his or her job.

At the end of the year, they had a banquet for their employers.

OFSADO

OFSADO and Speech Team worked together, to win acclaim and achieve several 'firsts' for Oak Forest.

The fall play, Blithe Spirit, set a record for attendance.

The team hosted the first speech contest at Oak Forest, and placed third at the contest. They placed sixth at the Rich East contest. The Novice team placed second at the SICA Conference Tournament, while the Varsity team placed eighth. The district contest awarded the team a fifth place. Sue Wolzon, a freshman, was the first contestant from Oak Forest to compete at the State Tournament. Sue placed tenth in verse reading.

Approximately twenty students made up a choral reading group that were part of the Bicentennial Chorus. The group read segments from Thomas Paine's COMMON SENSE, Patrick Henry's "Liberty or Death" speech, and THE DECLARATION OF INDEPENDENCE.

All members worked together in true team spirit, striving to become the best, while respecting the talents of others. Their unity is evident in the successful year they had.

Competition between different classes, clubs, and athletic teams sparked spirit throughout the assembly. It was a huge success. Candy and cookie sales, and T-shirt sales boosted their treasury.

Yearbook

This year's yearbook staff, although very small, has worked hard and efficiently, to put this yearbook out on time. Most people don't realize how much work, really goes into producing a yearbook. Each year it takes many hours of the staff's time, to try and produce a different yearbook every year. This year's book was a special one. The staff tried a variety of new techniques this year, which they think will be very successful in the future years.

Fellow Students,

I would like to express my appreciation to those who have helped make these years as Editor very successful. My special thanks to American Yearbook Company for publishing our yearbook, Root Photographers for taking and developing our pictures, Mr. Jacobson and the Photography Club and last of all the members of the yearbook staff, who have worked hard and long with me to get this book out on time.

This school has meant a lot to me, a total learning experience of which yearbook has been a part. I would like to sincerely thank our advisor Miss Soss and our financial advisor Mr. Howe for helping to make my job as editor a lot easier.

The bottom section features a repeating pattern of stylized American flags and eagles. The flags are composed of stars and stripes, while the eagles are depicted in profile, facing left. This graphic element spans the width of the page.
